NASHVILLE, TN

21

Dear Members of the Chaîne des Rôtisseurs, Guests and Friends,

This past Winter your Board of Directors approved having a Grand Chapitre in 2021. The Task Force began evaluating cities and selected Nashville, Tennessee, the Home of Country Music as the site for the 2021 Grand Chapitre.

Nashville has forever been a major center for the music industry. It has experienced extraordinary growth in the last decade and is in the top ten cities of the United States for convention meetings. With that growth, fine dining, award winning chefs, new hotels and luxury shopping have followed.

The headquarters hotel is the new Grand Hyatt which was just voted #1 Best New Hotel in the United States by USA Today. Every luxury is within an elevator ride. Beautiful accommodations, outdoor pool, spa, rooftop bar, extraordinary dining, and First-Class service. Our seminars, food demonstrations, wine & spirit tastings, Young Sommeliers National Competition, inductions & awards ceremonies and Saturday night formal gala dinner will be held there.

The weekend's events include tours of Nashville, shopping and high tea at the historic Hermitage Hotel, a special music recording session, culinary demonstrations and dine-arounds, wine and Tennessee Whiskey tastings and a BBQ Lunch-Around at Peg Leg Porker. We also will have plenty of After Parties so that you can see your Chaîne friends that you did not dine with or sit next to at a dinner.

Friday night's Bailli Recognition Dinner is Denim and Diamonds! Dress like the Man In Black, Loretta or Dolly, Shania or Toby Keith for dinner and of course dancing at the 21c Museum Hotel amongst all of the unique and world class art contributed by the Brown family, owner of Brown Forman.

Furthermore, many of the famous tourism sites are within walking distance or a short Uber ride from the hotel. You can easily visit the Broadway Honky Tonks, Country Music Hall of Fame, National Museum of African American Music, Johnny Cash Museum and the Ryman Auditorium at your own pace.

The Grand Chapitre Task Force worked long and hard on this program for Chaîne members. Thanks go to South Central Bailli Provincial Richard Smith, Nashville Bailli Cynthia Himmelfarb, Atlanta Bailli Becky Lukovic and Boston Bailli Marshall Berenson for the months they devoted to the Grand Chapitre.

I look forward to welcoming you to Nashville to Eat, Drink, Relax and Enjoy.

Chers Confrères et Consœurs,

After 18 months of hiatus dealing with an unprecedented health worldwide pandemic, we finally are getting back to some normalcy. What an exciting feeling it is! Our social values and traditions are back, and we could not be happier as it means that we can safely get back together like the good old days. We can again hug and kiss each other and share the pleasures of the table with our Chaîne friends from all over the country. This will be our first Grand Chapitre in two years and we had to make it big and extraordinary. We decided to select a city that will capture your imagination and make you dream, particularly if music is appealing to you. The only city that could meet these criteria: Nashville.

Nashville is synonym of quality of life and is the capital of the U.S. state of Tennessee. It is located on the Cumberland River in Davidson County. Nicknamed "Music City, U.S.A.," Nashville is the home of the Grand Ole Opry, the Country Music Hall of Fame, and many major record labels.

It is our great pleasure to invite you to join us on September 30–October 3, in Nashville for our 2021 National Grand Chapitre.

The wide array of festivities that awaits us has been designed and developed by a dedicated team of Chaîne professionals, our Conseiller Gastronomique des Etats-Unis, Tony Hirsh, and Bailli Provincial South-Central Richard Smith and his amazing local team, Nashville Bailli Cynthia Himmelfarb, Boston Bailli, Marshall Berenson and Atlanta Bailli Becky Lukovic. They have created a program that will allow each of us attending to experience something unique and special where no details have been spared to maximize your enjoyment and take advantage of all the amazing activities and fabulous restaurants that the city has to offer. We are very excited to be hosted at one of the brand-new top 5 Stars hotel, the Grand Hyatt so you will have a memorable experience.

These four days will be a perfect opportunity to meet and reconnect with old and new Chaîne friends and enjoy the pleasures of the table that are so unique to the values and traditions of the Chaîne des Rôtisseurs. It would mean a lot to have a strong representation of our national membership. We would love to see you there. We promise that you will not be disappointed.

Please sign-up early by filling out your registration form and returning to the national office.

We look forward to seeing you all there!

Bien amicalement et vive la Chaîne!

Hyde de Villaine Seminar – Grand Hyatt

2:00pm-3:30pm

21 years ago, Larry Hyde, owner and grape grower of Hyde Vineyards in Napa Valley, and Aubert de Villaine, co-director of Domaine de la Romanée-Conti and the owner of Domaine de Villaine in Burgundy, started a boutique family wine venture together in Napa for the sole purpose of discovering the unique terroir of Hyde Vineyard. Mr. de Villaine believes that it takes several decades, if not longer, of working with a vineyard before a vigneron can truly start to get a feel for the place. The pursuit of discovery and purity still continues. The partnership continues to thrive, producing a meniscal amount of wine each vintage, which is then sparingly spread over 18 different countries.

In this educational seminar, we will take a deep dive into what makes Hyde Vineyard so unique to Napa and Carneros and Hyde de Villaine's winemaking approach. We will discuss the soils, climate, clonal selections, and history of this exceptional site while tasting a variety of rare selections from the Hyde de Villaine portfolio. The tasting will consist of their world-renown Chardonnay, Pinot Noir, Syrah, and Belle Cousine (Bordeaux-inspired red blend). The seminar will be led by the project's General Manager, James Eyer.

Things to Do

Come early...stay late...Nashville has many things to offer from local cuisine to music venues to distilleries to cute shops. If the last time you were in NASH was more than a couple of years ago, you really need to give this vibrant city another look! Nashville is more than bars and boot scootin', it's a modern city with some southern sass! Our room block dates may be extended three days before and/or three days after the Grand Chapitre to give you maximum exploration opportunities.

Our planning committee recommends the following inside and outside of Nashville:
