Seeking Architectural Graduate / Architect

Firm Description:

Ryan Duebber Architect (RDA) is an award-winning design firm based in Cincinnati, Ohio (Pleasant Ridge) specializing in architectural, interior, and furnishings design for high end residential building projects (big and small). The mission of our firm is to serve each client by providing a high level of service through thoughtful communication, collaboration and innovation. Design solutions are created to express the uniqueness of each client, enhance life and celebrate the craft of building.

Job Description:

We are looking for a full-time design professional (architect graduate or architect) that is talented, passionate, self-motivated and teachable. The office culture and atmosphere is relaxed, innovative, team oriented, hard working and fun. Architect/designer will develop projects closely with design principal from concept through construction phase. Responsibilities include project management, development of design drawings, material selections and construction documents while collaborating with material suppliers, consultants and contractors.

Minimum Qualifications:

- 5 years experience in residential architecture
- Proficient in Autocad, Adobe Suite and Microsoft Office
- Architectural degree
- Strong design, communication, presentation, production skills and detail oriented.
- Material and finish selection skills a plus
- LEED accredited and Sketch-up/ 3D modeling experience a plus

Please email resume and portfolio to Ryan Duebber at ryan@rda-architecture.com. No phone calls please.
