

Drug Repository Notification Form

Completed forms must be submitted via email to: contact@pharmacy.ohio.gov

To be used by a pharmacy (including charitable pharmacies), hospital, or nonprofit clinic that operates a drug repository program that receives donations or dispenses medications to the public. The information provided will be made publicly available to ensure that patients and potential donors can locate active repository programs.

NOTE: This form is required within 30 days of establishing a repository program. A pharmacy, hospital or nonprofit clinic that no longer operates a repository program must use this form to notify the Board it no longer operates a repository program.
