

2yo Colt by Distorted Humor - Salty Romance

SHANDLING

SHANDLING

LRF and its partners are off to a flying start in 2018. Led by GI Santa Margarita winner, Fault, and multiple stakes winner, My Boy Tate, LRF is poised to eclipse the \$2M mark in earnings yet again.

Team LRF recently ventured to the premiere 2yo sale of the year, the Fasig-Tipton 2yo in training sale in Miami, FL and came home with two outstanding colts.

Hip 32, a Distorted Humor colt walked up and down consignor Eddie Woods' shedrow all week before LRF Executive Bloodstock Agent, Tom McCrocklin, approached Woods about the colt.

"He's being overlooked," said Woods. "This is my fastest horse and I screwed up his training. You must take a good look at him." McCrocklin obliged, fell in love with the colt, and LRF made the purchase. We named the colt SHANDLING, after the late comedian Garry Shandling, who had his own sense of distorted humor.

The uber-athletic colt breezed in 10.1 at the preview show ([CLICK HERE TO WATCH BREEZE](#)) and Equix' Suzanne Smallwood, an expert on stride analysis, called the breeze excellent. "Not only was he one of, if not the most efficient movers at the sale," Smallwood said, "we also measured his heart. His heart size is slightly above average but he has athletic indicators that rate him an A+."

Shandling comes with an outstanding pedigree. By Distorted Humor, who has already sired more than 140 stakes winners and more G1 winners than all but two active North American stallions. Distorted Humor is the

SHANDLING

only active sire with different winners of all three U.S. Triple Crown races, is the grandsire of a Kentucky Derby and Preakness winner. On the bottom side of the pedigree, Shandling is out of the very fast stakes winning daughter of Salt Lake, Salty Romance and is a half brother to G3 Cicada Stakes winner, Agave Kiss.

“I think what I like best about this colt is his speed and versatility,” McCrocklin would go on to say. “He looks like the type that can run on anything - dirt or turf - and will be early. He’s the kind of horse we like to buy because he’s athletic and can win at six furlongs or longer distances as he gets older. Just a really nice colt!”

Shandling has already moved to McCrocklin’s farm in Ocala, FL and is set to join the barn of leading trainer Phil D’Amato as early as June 1, with plenty of time to make an appearance at Del Mar this summer.

“I’m just stunned we got him,” Phil said. “I loved his breeze and I think his speed will be very very dangerous as a two-year-old.”

A 2yo son of a champion sire in Distorted Humor out of a stakes winning and stakes producing mare, we believe Shandling is a serious race horse with tons of potential. He certainly is no “laughing matter.”

D'AMATO

Philip D'Amato has quickly ascended to the very top of the Southern California trainer standings capturing training titles at both Santa Anita and Del Mar in 2016. Phil studied under Del Mar's all-time leading trainer, Mike Mitchell, for ten years and, with horses such as Breeders' Cup winner Obviously and GI winner Midnight Storm, he has already proven he will be a force in Southern California for years to come. Phil may be quiet and unassuming, but he loves to win races and treats every single horse as if it's his own.

Little Known Fact: Phil has a degree from USC in Political Science and a degree from Arizona's Racetrack industry program.

Phil's Favorites:

FAMILY

Distorted Humor has long been a source of excellence and consistency that all began with Ky Derby winner Funny Cide from his first very crop. Now the sire of 18 G1SWs, Distorted Humor ranks as the #2 all-time sire of percentage of stakes-winners. Distorted Humor has sired winners of the world's best G1 races including the Ky Derby, Breeders' Cup Classic, Travers Stakes, Belmont Stakes, Whitney Handicap, etc.. On several occasions throughout his career, Distorted Humor sired 20 stakes-winners within the year and ranked among the top stallions annually. In 2018 Distorted Humor is once again represented by a top class 3YO in recent Tampa Bay Derby winner, Quip.

Shandling is out of the very fast and precocious Salt Lake mare Salty Romance. She broke her maiden 2nd time out as a 2YO by 4 1/2 lengths followed up with another wire-to-wire open lengths romp in the Delta Princess Stakes.

That speed and precociousness gene has now been passed down to her offspring as a producer of three black-type performers, but none more than impressive than very fast filly, GSW Agave Kiss. Winner of her first six starts by a combined 28 lengths Agave Kiss never trailed at any point of those races. The speed gene is one of the most heritable traits in a racehorse and when combined with a very successful stallion on top, the results could be very rewarding.

WHY NOT?

Listed below are four reasons you must seriously consider joining LRF for the Shandling journey:

1. His pedigree. As described in the earlier pages of this document, Shandling is bred in the purple. Distorted Humor is the sire of 142 black type winners, four champions, and over \$125M in progeny earnings, including GI winners Funny Cide, Drosselmeyer, Commentator, and Any Given Saturday. Shandling's dam, Salty Romance, is the sire of five stakes winners, including the speedy G3 winner, Agave Kiss.
2. His breeze. Shandling is a rocket ship, who breezed effortlessly in 10.1 at the Fasig-Tipton sale. Called "the most efficient mover in the sale" by Equix, Shandling's speed and athleticism should prove beneficial in two-year-old races this summer at fall.
3. Inside information. We've been buying from and working with consigner Eddie Woods for the past 10 years. Woods, one of the best consignors of two-year-olds in the world, said after our purchase that "you will win a graded stake race with this horse."
4. The McCrocklin Approval. When LRF Executive Bloodstock Agent Tom McCrocklin iikes a horse, we only do one thing... listen. McCrocklin was all over this athletic son of Distorted Humor and believes he is mature enough to go right on with him.

TRUST

The hallmarks of LRF are communication and transparency. Who you invest with matters. As with any industry, conflicts of interest arise and LRF adheres to strict protocols in dealing with such conflicts. These protocols are based on transparency, including the full disclosure of commissions.

Shandling was purchased by LRF at the Fasig Tipton 2yo in training sale in Miami, FL. The final purchase price to LRF did not include a commission payable to Tom McCrocklin in connection with the transaction. No other commissions were paid by or to LRF or any known third parties in connection with the purchase.

FOR YOU

The most important part of the LRF Experience is communication with our partners. Each partner receives daily/weekly emails detailing all of their horse's activities, including photos and videos from workouts. Our communication is always timely and specific and we make sure all of our partners are consistently informed about everything horse related... from upcoming races to recaps immediately following a race. We make sure every possible issue is clearly explained and make ourselves available 24 hours a day, 7 days a week to insure that our partners know exactly what is going on with their horses.

The key to LRF's success is the unequivocal attention paid to each partner. LRF provides owner seats on race day at every race track. LRF also provides total access for partners, who may visit their horses anytime, including to watch morning workouts. Partners are invited to the paddock before each race and encouraged to speak with our jockeys, trainers and all staff members and learn more about our great industry.
