WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

Career, Job, and Internship Fair - Oct 21

SOU Career, Job, & Internship Fair

Wednesday, October 21 from 11am to 2pm in the Stevenson Union

The Career Fair is a great place to connect with employers, network, and find out about various careers. We encourage all students to attend the fair even if you are not currently looking for a job or internship. You can make some great connections for the future.

If you are looking for a job or internship, we encourage you to bring your resume and dress for success. The Career Connections office is ready to help you with your resumes. There is a clothing rack on the 3rd floor of the Stevenson Union in front of the Career Connections office with free interview clothes.

You can find the details of all of the employers who will be attending at careers.sou.edu/career-fairs. Employers are impressed if you come prepared and know a little bit about their organization already, so take a look at the website of the employers you are interested in talking with.
