Aligning Efforts for Enhanced Outcomes

Q2 2019 Rural Quarterly Conversation

Local Workforce Development Boards invite you to join us for the Q2 TalentFOUND Quarterly Conversation. The rural-focused Quarterly Conversation will take place **June 25 from 12 to 5 p.m.** at the SteamPlant Event Center - Salida Rotary Scout Hut (210 E. Sackett Ave., Salida, CO, 81201).

The discussion this quarter will focus on how **workforce development and community and technical colleges** might further collaborate across systems, with input from economic development and chambers.

The goals of the Quarterly Conversations are to strengthen understanding of what different system partners are required to do, share examples of already existing successful partnerships/tactics, and explore how best practices might continue to grow and new collaborations might be created. They are intended to complement cross-system conversations at the local level, not replace them. Attendees should be individuals with decision-making authority.
