

PROJECT GRADUATION 2022
0151 Miller Ranch Road
Edwards, CO 81632

April 13, 2022

Hello BMHS Families,

The Battle Mountain High School Project Graduation Committee is working hard to plan this year's Project Graduation event for our seniors on Friday, May 27th at the Mountain Rec Field House. We would like your support for the class of 2022!

Project Graduation is an investment in the safety of not only our graduating seniors, but the community as a whole. For the past 20 years, parents of seniors have hosted a memorable evening of music, games, food, prizes and surprises—all in a supervised, drug- and alcohol-free environment. On an evening where teens have a statistically higher risk of drinking and driving, Project Graduation helps to keep both students and the community safe by providing a secure, fun-filled environment for our graduates to celebrate their big achievement. It's an event that seniors anticipate all year and an overwhelming majority of the seniors attend following their graduation ceremony.

With your support we hope to continue this positive tradition. We have taken steps to keep the overhead as low as possible. To encourage the attendance of all graduates, Project Graduation night is provided at a minimal cost to the students, and all attendees receive a gift and a chance to win many great prizes to further their interest in participating in a safe graduation night event.

We would appreciate your support of the class of 2022 and your contribution toward the safety of both our teens and fellow citizens. Attached is a donor form that you can drop off to the school office or mail to: **Project Graduation, 0151 Miller Ranch Road, Edwards CO 81632**, or send money directly via Venmo or Zelle.
