

American Aquarium Quote Sheet

Things Change

"'Things Change' is an unabashed rock & roll record – a snapshot of a band and its reinvigorated leader." – ***Rolling Stone***

"Barham's writing has rarely seemed so poised, and his lyrics – which take a hard look at current events, using them as launching pads for songs about the human condition – have never been as universal." – ***Rolling Stone Country***

"Rooted in bar-band rock & roll and articulate alt-country, 'Tough Folks' sets the tone for an album that's cathartic and confident." – ***Rolling Stone Country***

"...he's likable and literate, delivering heavily autobiographical heartland rock with heart on sleeve." – ***Associated Press***

"...it's an engaging latest chapter in the ever-evolving, consistently compelling storytelling saga of one of this generation's most overlooked roots country singer-songwriters." – ***American Songwriter***

"Tales of toil, drifting and searching are presented as driving, righteous and well-considered Southern rock." – ***Nashville Scene***

"His brutal honesty is commendable; it takes an unbelievable amount of guts and bravado to bare what Barham does..." – ***No Depression***

"...his best collection of songs to date." – ***Blurt***

"The band as a whole sounds new, propulsive, invigorated with new life, yet still the same. That's a testament to Barham's resilience and longevity, and the new band's technical chops." – ***Austin 360***

"*Things Change* finds Barham delivering his most even and concise collection of songs in his career. They're marked by maturity, growth and an elevated perspective." – ***Wide Open Country***

"BJ Barham and American Aquarium have finally found their sound, their voice, and released arguably the best record of the band's run, and maybe one of the best of 2018." – ***Saving Country Music***

"It's a starkly autobiographical record...by turns tender and visceral, roughhewn and poetic, and it's crafted from a place of reflection rather than reaction." – *The Daily Times*

"...an honest and refreshing album that would make a great soundtrack to summer days...all brought together by Barham's excellent voice." – *Entertainment Focus*
