[Technical co-founder for CMU alumni generative AI startup, Omniscient](#) (based out of Japan)

Company description: Omniscient is a category-defining startup company using generative AI to disrupt and revolutionize investment research, an important part of the investment management industry value chain. Its two founders, Kris and Prithish, are investing experts. Previously, in 2019, they launched Eightfold Research, an investment research firm specializing in Japan. They are both London Business School alumni based in Tokyo/London. They are now looking for a third co-founder with a strong technical background to join them with an ownership stake and help build Omniscient and raise pre-seed capital.

If interested in knowing more about the startup, the founders, or the role, please email info@eightfoldresearch.com
