

WASHINGTON SOCIETY FOR
ASSOCIATION EXCELLENCE

AUGUST 2023

MEMBER OF THE MONTH

MEGAN MILLER, CMP
Director of Events
SBI Association Management

Megan Miller, CMP has been an integral part of the SBI Association Management family for the past five years. Megan's journey into the world of association management began in 2015 when she joined an association management company in Nashville as a member services administrator. Little did she know that this step would lead her on a fulfilling path that would soon intertwine with her passion for event planning and dedication to nonprofit organizations.

It was during Megan's first experience working at a conference, staffing the registration desk, that she discovered her true calling. The excitement, the meticulous planning, and the thrill of executing a successful event resonated deeply with her. Megan fell in love with the world of association event planning. From that point on, her trajectory was set.

What sets Megan apart is her unwavering commitment to building connections and fostering relationships within the nonprofit sector. She finds immense fulfillment in cultivating relationships with colleagues, volunteers, and sponsors, as it brings a sense of purpose and achievement to her work.

Megan finds relaxation and joy in spending quality time with loved ones, whether it is through vibrant social gatherings, cozy dinners, or competitive game nights. Her love for the outdoors is equally impressive – camping, bonfires, and boat rides are among her favorite activities. And here is a delightful tidbit: Megan is the proud owner of three mini dachshunds. These furry companions certainly keep her on her toes!

A unique aspect that has shaped Megan is her role as a military spouse. Frequent relocations due to her partner's military commitments has taught her resilience, adaptability, and making the most out of changing circumstances. These qualities have played a role in Megan's thriving career within association management.

As our August Member of the Month, Megan embodies purpose and inspiration. Her remarkable journey inspires us, and we look forward to her future achievements.
