First, check the current list of Questions and Answers (i.e., additional clarifications on the funding announcements, based on questions submitted from all applicants), which is located on this [site](#). The Q&As are updated on a routine basis, and it's possible someone has already asked your question and the answer is already there.

If you don't see a Q&A that corresponds to your question, please email the school safety resource account at RA-CD-SSSC@pa.gov and put the title of the funding announcement in the subject line.
