On Thursday, April 27, nine bands and orchestras from around Los Angeles performed at a music festival hosted by Revere.

Each group played two musical pieces and was critiqued by three adjudicators. Revere's Senior and Advanced Orchestras and Advanced Band received the highest score possible: Superior. Revere's Senior Band received a score of Excellent.

Special thanks to Mr. Samuel and Dr. Tautkus for organizing the festival, and to orchestra students and parents for helping run the event.
