

WHETHER YOU EAT IN THE
SCHOOL CAFÉ, THE CLASSROOM,
OR AT HOME

YOU CAN RECYCLE!

Recycle cartons & “rigid” plastic from school meals!

It’s easy! **Empty & Rinse** recyclables and place in blue curbside recycling carts, bins, or recycling dumpsters.

WANT TO BE A RECYCLING ROCKSTAR?

- Find out what other items can be recycled at home (www.sandiego.gov/environmental-services/recycling) and at school (www.sdusdsustainability.com)
- Make sure recyclables are clean & empty (no food, no liquids, no yuck!)
- Teach others in your household to recycle, too!
- Look for ways to reuse or repurpose items you can’t recycle
