

Dear Revere Parents,

Welcome to the 2023-2024 school year! My name is Anna Riley, and I am Revere's full-time Psychiatric Social Worker (PSW).

As a PSW, my primary responsibility is to promote and support mental health awareness and social emotional development of students. Services may include short-term individual and group counseling, crisis management, referral and linkages, parent support and education, school-wide campaigns, classroom intervention and consultation. I am currently planning campaigns, lessons, and events for the year. If you are interested in a parent workshop topic for me to present, please contact me at [anna.riley@lausd.net](mailto:anna.riley@lausd.net).

Below, you will find a parent referral form to be completed for all students who may need my support. Please let students know they can also self-refer; the referral form for them is located in the box on my office door in Student Services. **Please note: for any academic/schedule concerns, please contact Counseling, and for any discipline-related or behavior issues, please contact Student Services.**

I am excited to continue supporting students at Revere this year!

Sincerely,  
Anna Riley, PSW
