

# PROTECTING FLORIDA TOGETHER.

Since taking office, Governor DeSantis has made restoring Florida's environment a top priority, and is proposing historic investments to protect Florida's natural resources.

## EVERGLADES RESTORATION & THE PROTECTION OF WATER RESOURCES

Investing more than \$960 million for FY 2022-23, surpassing Governor DeSantis' goal of \$2.5 billion over 4 years.

- ✓ \$660 million for Everglades Restoration
- ✓ \$175 million for targeted water quality improvements
- ✓ \$40 million for an Alternative Water Supply grant program
- ✓ \$50 million for projects to restore Florida's world-renowned Springs
- ✓ \$3 million to remove invasive Burmese pythons
- ✓ \$35 million to combat harmful algal blooms, including blue-green algae and red tide
  - \$15 million for innovative technologies to combat algae blooms
  - \$5 million to aid local government in red tide clean up

## RESILIENT FLORIDA PROGRAM

Investing more than \$550 million to increase the resiliency of our coastal and inland communities.

- ✓ \$500 million for the Resilient Florida Grant Program to make communities more resilient to sea level rise, intensified storms and flooding - for a total investment of over \$1 billion over two years
- ✓ More than \$50 million for resiliency planning and coral reef protection
