TRAINING

WISE has become WISER!

- WISER is now a year-round internship program – offering internships during Semester 1 and Semester 2 of the TKS school calendar, and a 4-week full-time Summer Program
- Term-time internships are offered to students in Grades 11 and 12, and the Summer Program is offered to Grade 10-12 students and University students up to 25 whose parents are KAUST residents.
- TKS students undertaking term-time internships *may* receive a credit towards their TKS Diploma.
- Interns taking part in the Summer Program will receive a reward based on successful completion of all elements of the program, and their performance during their internship

GROUP PROJECTS (for the Expo)

- Students will be put into a group to create presentations, activities, etc., for Expo
- Students must meet regularly to develop their presentation/activity with their group members
