***Thank you for your support!***

# **Battle Mountain *Project Graduation* - Class of 2023**

**The Battle Mountain High School Project Graduation committee would like your support for the class of 2023.**

**Project Graduation is an investment in the safety of not just our graduating seniors, but the community as a whole. For the past 21 years, parents of seniors have hosted a memorable evening of music, games, food, prizes and surprises - all in a supervised, drug and alcohol-free environment. On an evening where teens have a statistically higher risk of drinking and driving, Project Graduations helps to keep both the students and the community safe by providing a secure, fun-filled environment for our graduates to celebrate their big achievement. It's an event that seniors anticipate all year and hopefully a night of togetherness that they will remember for a lifetime.**

**With your support we hope to continue this positive tradition. To encourage attendance of all graduates, Project Graduation night is provided at a minimal cost to the students, and all attendees receive a gift to further their interest in participating in a safe graduation night event.**

**We would appreciate your support of the CLASS of 2023, and your contribution toward the safety of both our teens and fellow citizens.**

**Enclosed is a donor form. You may either:**

- Mail it to BMHS Project Graduation % Jennifer Sassi, PO. Box 683, Edwards, CO 81632 or
- Drop the enclosed form off at Battle Mountain High School.

**Cash donations are appreciated, but we can also use merchandise or gift card donations for raffle prizes at the event. Once we receive the donor form, we will send you a confirmation via email. Your donations are tax deductible.**

**If you have any questions about the event, contact Jennifer Sassi at [jennifersassi@gmail.com](mailto:jennifersassi@gmail.com).**

**Thank you in advance for supporting the Class of 2023!**

**Sincerely,**

The Project Graduation Committee
