8. Description of damages (Short description of impacts of disaster on affected area and population). Include additional details in enclosed Governor's or Tribal Chief Executive's cover letter.

At 7:00 AM EDT on September 28, 2022, the National Hurricane Center reported that Hurricane Ian had strengthened to a Category 4 hurricane with 155 mph maximum sustained winds and was located approximately 60 miles southwest of Punta Gorda, Florida. Ian's eyewall is approximately 50 miles wide and made landfall as a strong Category 4, potentially Category 5, hurricane on the afternoon of September 28 in the Charlotte County area. Due to the forecast intensity and size of this major hurricane, this system poses a significant risk of dangerous storm surge, strong winds, catastrophic flooding, hazardous seas, and isolated tornadic activity for much of the State of Florida.

9. Description of the nature and amount of State and local or Indian tribal government resources which have been or will be committed. Include additional details in enclosed Governor's or Tribal Chief Executive's cover letter.
The State EOC has been activated. FDEM is coordinating preparation and response measures across the state. As of the date of this request, the State of Florida has expended close to \$400 million on response costs alone; widespread State offices closures; activated 10,000 of the Florida National Guard, at least 224 opened shelters across the State of Florida. Additionally, numerous requests have been made through the Emergency Management Assistance Compact as well as Federal Resource Requests.

Indemnification for Debris Removal Activity

☐ I do not anticipate the need for debris removal.

I anticipate the need for debris removal, which poses an immediate threat to lives, public health and safety. Pursuant to Sections 403 and 407 of the Stafford Act, 42 U.S.C. §§ 5170b & 5173, the State or Indian tribal government agrees to indemnify and hold harmless the United States of America for any claims arising from the removal of debris or wreckage for this disaster. The State or Indian tribal government agrees that debris removal from public and private property will not occur until the landowner signs an unconditional authorization for the removal of debris.

Request for Direct Federal Assistance

☐ I do not request direct Federal assistance at this time.

☒ I request direct Federal assistance for work and services to save lives and protect property, and:

a. I request the following type(s) of assistance:
Please see cover letter for detailed requests already mobilized.

b. List of reasons why State and local or Indian tribal government cannot perform, or contract for, required work and services. In the past five years, the State of Florida has been impacted by several multi-million, and in some cases, multi-billion-dollar events to include impacts to every jurisdiction. A storm of this magnitude on the forecast track is expected to produce 12-18 feet of storm surge above normally dry ground along the coast of Charlotte and Lee Counties, 8-12 feet along the Collier County coastline, 6-10 feet along the Sarasota and Manatee County coastlines, 4-6 feet in and around Tampa Bay, etc.

c. In accordance with 44 C.F.R. § 206.208, the State or Indian tribal government agrees that it will, with respect to direct Federal assistance: (1) Provide without cost to the United States all lands, easements, and rights-of-ways necessary to accomplish the approved work; (2) Hold and save the United States free from damages due to the requested work, and shall indemnify the Federal Government against any claims arising from such work; (3) Provide reimbursement to FEMA for the non-Federal share of the cost of such work in accordance with the provisions of the FEMA-State or FEMA-Tribe Agreement; and (4) Assist the performing Federal agency in all support and local jurisdictional matters.

Request for Snow Assistance
