

# Cardiogenic Shock: Recognition, Stabilization and Systems of Care

**Wednesday, February 16, 2022**

12 – 1 p.m.

### Target Audience

Cardiologists, cardiovascular surgeons, primary care physicians, emergency physicians and all other interested care staff are welcome.

### Learning Objectives

- Illustrate the approach to cardiogenic shock recognition and risk stratification using the Society for Cardiovascular Angiography and Interventions (SCAI) classification and invasive hemodynamics.
- Define the role of temporary mechanical circulatory support to stabilize patients in cardiogenic shock.
- Examine the role of shock centers and shock teams for improving patient outcomes.

**Michael X. Pham, M.D., FACC, MPH**

Chief of Cardiology, California Pacific Medical Center

Medical Director of Advanced Heart Failure, Transplant and Mechanical Circulatory Support Program, California Pacific Medical Center

California Pacific Medical Center  
Palo Alto Medical Foundation

### Continuing Education Credits

In support of improving patient care, Sutter Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing

education for the healthcare team.

Sutter Health University designates this LIVE activity for a maximum of 1.0 AMA PRA Category 1 Credits™ for physicians, 1.0 contact hours for nurses and 1.0 knowledge-based contact hours for pharmacists. Learners should claim only the credit commensurate with the extent of their participation in the activity.
