

# Tennessee WMU is partnering with Tennessee Baptist Collegiate Ministries to collect individual/small packaged snacks to help reach students.

BCMs can use bottled water, Pop-Tarts, granola bars, and other individual serving snacks for everyday ministry and evangelistic outreach to students. Walmart gift cards can also be donated to help give BCMs flexibility on purchasing specific items when needed.

If your church or missions group would like to participate, contact a BCM director in your area to see what they need, collect the snack food items and/or gift cards, and arrange delivery.
