

Dear Artists,

The easiest way to find my place is to come straight up Baldwin Avenue to Alegria Avenue (just past Saint Rita Church), turn right on Alegria and on the second block, just past Mountain Trail, on the left (north) side of the street is #261. It is a rather large apartment complex and the salon will be held at the covered patio. You are encouraged to bring refreshments.

We plan to talk about what each of us does to break out of the occasional “art funk” and feeling of being “stuck” that many artists fall into. Of course, anything else one wants to discuss will be fine, and you are encouraged to bring a piece or two of your art for discussion and feedback from your peers at the salon.

Thank you,

Ken Weintrub
