

MODEL UNITED NATIONS

About Us

Model United Nations (MUN) participants will come together with peers from across California to discuss international issues, discover other cultures, develop life-enhancing skills, and make new friends.

These students will become "delegates" and be assigned to a program area focused on improving the international community.

The three-month program includes two in-person conferences (one in Northern California or Southern California), a 1-day training conference, and the culminating 2-night Model United Nations Summit.

Contact your local YMCA for more information on registration deadlines, event dates, and cost.

ATTENTION RIDERS!

Are you interested in debate, learning about the government, and getting more involved in extra curricular opportunities? If so, MODEL UNITED NATIONS is the perfect program for you!

This is a program that teaches middle school students about the 'ins and outs' of the United Nations, debate and public speaking skills, and is a great learning opportunity for all that are interested. MUN meets every Tuesday from 5-6 p.m. at Palisades Charter High School.
