

WUCare

*Primary Care Exclusively
for Washington University
Employees*

To support the health of our employees, Washington University is pleased to offer WUCare, a primary care practice available only to Washington University employees and families (age 18+) who are enrolled in the university-sponsored health plan (*United Healthcare*).

Expert Care

Matthew Bonzelet, MD, and Elizabeth Segura, FNP, offer preventive care and chronic disease management.

Employee Benefits

As part of your WUDirect benefit, you receive priority access for initial appointments and reduced copays.

Convenient Location

WUCare is located on the medical campus in the Center for Advance Medicine, Suite 5A.
