## Summer Storage Options for Lipscomb Students

[Music City Student Storage](#) is another option! They are a full-service moving and storage company providing pickup, storage, and delivery exclusively to students in the Nashville area.

### Here's How It Works:

- 1) Sign up online for storage at [musiccitystudentstorage.com/sign-up](http://musiccitystudentstorage.com/sign-up).
- 2) They provide boxes, tape, and labels. No need to worry about getting them yourself! After you're signed up, they'll send you an email to let you know when they'll be on campus to deliver your packing supplies.
- 3) Pack and label everything you plan on storing with your name and confirmation # (received after signup).
- 4) They pick your belongings up on the date and time window you request. You can select a curbside pickup (included in cost of storage).
- 5) Your belongings are stored for the summer in their clean and secure storage facility. If you are taking a semester off or studying abroad, they can store your belongings for multiple terms.
- 6) When you know your move-in date for the following year, fill out the Delivery Request form at [musiccitystudentstorage.com/contact-us](http://musiccitystudentstorage.com/contact-us).

### How Much Does It Cost?

Each item or box is priced individually, so pricing will vary for each student. Most students can expect their total cost to be between \$450-\$550 for the entire summer, including packing supplies, pickup, and delivery. Each student is encouraged to review their pricing pages before signing up:

- [Pricing – Music City Student Storage](#).
- [Itemized Pricing List – Music City Student Storage](#)
- [Cost Saving Tips – Music City Student Storage](#)

You are billed for the entire cost of storage after your belongings are picked up. You will not be billed monthly. The monthly pricing shown on the pricing page is to be used only as a comparison tool.
