

FLORIDA

THE EDUCATION STATE

Leading in Education

Since his first days in office, Governor DeSantis has prioritized investing in Florida students. Once again, Governor DeSantis is proposing record investments in Florida's education system.

Boost Teacher Pay

\$600 million to raise teacher salaries for the third year in a row from \$40,000 to \$47,500.

Progress Monitoring

\$15.5 million for schools to eliminate the FSA and provide progress monitoring tools.

Student Funding

\$8,000 in funding per student - the most in Florida's history.

Civic Excellence

\$65 million to give teachers bonuses for earning a Florida Civics Seal of Excellence, and \$500,000 to expand the Florida Civics and Debate Initiative to all school districts.

Teacher Bonuses

Provide nearly 177,000 Florida teachers and principals with \$1,000 bonuses for the second straight year.

Workforce Development

\$534 million to support workforce education programs to make Florida the best state in the nation for workforce development by 2030.
