

We are excited to join our colleagues in Indianapolis for their annual Festival of Faiths, this year on-line:

8th Annual Indy Festival of Faiths – *Celebrating FaithFully*

Sunday, September 13, 2020 ~ 1:00-2:30 pm online

The theme for this year's festival is ***Celebrating FaithFully: Our Faith, Our Tradition, Our Culture, and Our Community***. We hope that you will join us for Indiana's largest celebration of our rich religious diversity.

Festival of Faiths will feature over 50 exhibitors and sponsors celebrating Faith, Tradition, Culture, and Community as we explore the Divine through the sacred arts, interviews, and dialogue. Nine different faith traditions and dozens of denominations are participating. Hear what our youth are saying about religious diversity in the 21st century, learn how our faith traditions help us to endure and continue to inspire joy in the time of a pandemic, and witness the world premiere of international recording artist Anita Lerche's musical

video *Love Is My Religion*
