WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

Interested in Graduate School? McNair Can Help!

Have you been thinking about going to graduate school, or know someone who is? The SOU McNair Program is currently accepting applications for our 2027 Cohort from undergraduate SOU students who are interested in learning about and preparing to attend graduate school! The McNair Program provides education and assistance on locating programs and funding, completing applications, travel assistance, individualized paid summer research internships, and much more!

The application deadline for our fall interviews is November 20th.

To learn more or to nominate a student to the McNair Program, please visit our site at mcnair.sou.edu, or contact us at mcnair@sou.edu.
