

WHAT'S NOW, NEW AND NEXT AT SOUTHERN OREGON UNIVERSITY

## **NOW HIRING!! Student Sustainability Positions!!**

Join a team of students working to make a difference in the SOU community, the region, and beyond! Students in these positions work both on their independent projects/campus initiatives and also work collaboratively together as a team across areas.

Hourly pay ranges from \$13.50/hr up to \$15/hr depending on the position. See individual position descriptions for details.

**Climate Justice and Resilience Fellow:** work to connect racial equity and social justice efforts together with climate change and environmental activist work

**Transportation Options Coordinator:** engage the campus through outreach, marketing, and events to promote and encourage the SOU community to reduce drive-alone trips

**Community Garden Co-coordinator:** co-lead the administration and maintenance of the SOU Community Garden

**Community Garden Assistant:** help ensure the general upkeep and maintenance of the SOU Community Garden (open only to students with Federal Work Study)

**Sustainability Coordinator:** work with the SOU Sustainability Manager to advance sustainability in campus policies, operations and procedures and to report on progress

All positions are now posted on Handshake. Apply through Handshake by September 1 for priority consideration (Sept. 8 for the Sustainability Coordinator position). Questions? Contact Jill Smedstad at [smedstadj@sou.edu](mailto:smedstadj@sou.edu).
