

## **Student Food Pantry Summer Hours**

The Student Food Pantry is now open, offering pre-made "Pantry Grab Bags" for pick-up at the Stevenson Union. Current SOU students seeking supplemental food assistance from the SOU Food Pantry can check in at the SU Welcome Desk during open SU hours and a Welcome Team member will assist the student client.

This summer the Stevenson Union is open M-F 10am-2pm, subject to change during holidays and breaks.

Students can receive one Grab Bag per week. Each bag includes ten or more non-perishable food items, and students can pick from one of four types of bags: meat/non-vegetarian, vegetarian, vegan, or gluten free. The variety in each bag is based on inventory and the SFP strives to include a balance of food products that include proteins, grains, fruits and vegetables in each bag.
