

Beaver Creek Employee Parking Information

After completing the application, employees will be given a parking sticker and parking pass. Instructions for picking up their parking sticker and pass will be included in a confirmation email employees will receive once they complete the application.

It can take up to a week to process an application and issue a parking sticker and pass. Therefore, we urge all employees who intend to park in the Wolf or Little Bear Lot to submit their application for a parking sticker and pass no later than seven days before they are scheduled to work their first shift.
