Assemble presents: Unicorn Palooza ~ to support creativity at Assemble's Steam Learning Programs

Description: Assemble, led by CMU alum and adjunct faculty member Nina Barbuto, is holding a fundraising event to support its mission.

The organization is a community space for arts and technology located in Garfield, in the East End of Pittsburgh. Through dedicated, daily after-school programs, Assemble provides a space for children and adults to engage with Science, Technology, Engineering, Art, and Mathematics (STEAM)-based activities in a fun, relaxed environment.
