

HOW TO ART CRAWL

Step inside Music City's art world at the **FirstBank First Saturday Art Crawl**. The first Saturday of every month from 5 to 8 p.m., art galleries around downtown Nashville open their doors for exclusive access to their latest exhibitions. Over 20 venues participate, presenting the absolute best of local and world-renowned artists and works alike. This uniquely Nashville event series offers all in the community the opportunity to meet, view and discuss art in a welcoming setting.

Some galleries offer refreshments for visitors. In the event alcohol is available for patrons 21 and over, valid identification is required.

The Art Crawl is a **FREE** event. Galleries are open from 5 to 8 p.m. the first Saturday of every month, rain or shine. From April to December, the southbound lane on Rep. John Lewis Way (formerly 5th Ave N) closes for outdoor activities - subject to weather. Check out our detailed map for this month's participants and additional happenings across the arts.
