

March Food Drive: Let's Keep the Momentum Going

Give Today

We're halfway through March, and our **March Food Drive** is underway in support of the campus Food Pantry. Each week, students rely on the pantry to help meet basic needs and stay focused on their education. Your support helps ensure that students have access to the food they need during challenging times. As we move through the month, there is still an important need to keep the pantry shelves stocked.

You can help today.

Please consider donating shelf-stable food items such as canned soups,

beans, rice, tuna, pasta, and peanut butter, or simply make a financial contribution by clicking the link above!

Students share the impact best:

“Since 2017, the food pantry and supporters have been a 100% blessing. Full-time student and house-less tent-liver! Food & nutrition helps.”

“My food stamps lapsed and I was able to come here and get food when I needed it, thanks!”

“[The pantry] has helped me stay on top of my dietary habits, not worry about food on top of school, and given me/many others a wide variety of food to choose from.”

The SOU Student Food Pantry is located on campus in the Stevenson Union, Room 312
