

THE COMPASS EXPEDITIONS 5-DAY RIDE OUT

SNOWY MOUNTAINS: MARCH 8-14TH, 2020

As in the past we will once again be following our Reunion Event with a fantastic 5-day ride out. This year being based in Jindabyne, NSW we will be exploring the sealed and unsealed roads in and around the Snowy Mountains.

All are welcome to join us for a week of great riding, exceptional company, excellent food and plenty of laughs.

If you have not joined us for one of our annual ride outs then this is your chance to experience why our regular riders and pillions join us year after year to catch up with tour companions, meet like-minded riders and make new friends.

It is a fantastic opportunity to discuss your next riding adventure, hear about other riders' experiences and talk about wonderful riding destinations be they around the corner or around the world.

It is also great to simply enjoy a week of fine riding and sociable evenings, with the day to day grind left behind and nothing to worry about, except if you feel like a dirt or sealed road ride tomorrow!

Many Australian riders would have sampled at least some of the roads in the Snowy Mountain region, but we will make sure that you get a taste of the lesser known, but equally spectacular rides around the area. Be it adventure riding bliss or black top blasting that you are looking for, rest assured that we will have you covered with a week of sensational ride routes.

The cost off the week-long event is AU\$1,850 per person, twin share with a single supplement of AU\$450 if you prefer not to share a room.

We will be based at the very comfortable Rydges Snowy Mountains in Jindabyne and dining at local restaurants each night.

The 5-day ride out is open to all riders and pillion partners and will follow The Ross McKeand Memorial Ride Weekend (March 7th and 8th). If you are booking both events, we will be offering the discounted rate of AU\$2,000 for the 7 days of fun and good times.
