

THE ROSS MCKEAND MEMORIAL RIDE WEEKEND

SNOWY MOUNTAINS: MARCH 7-8TH, 2020

To honour our friend, Ross, who tragically passed away, doing what he loved on our 2019 Reunion Ride, we invite you to join us for the Ross McKeand Memorial Ride Weekend in the beautiful Snowy Mountains of New South Wales in March 2020.

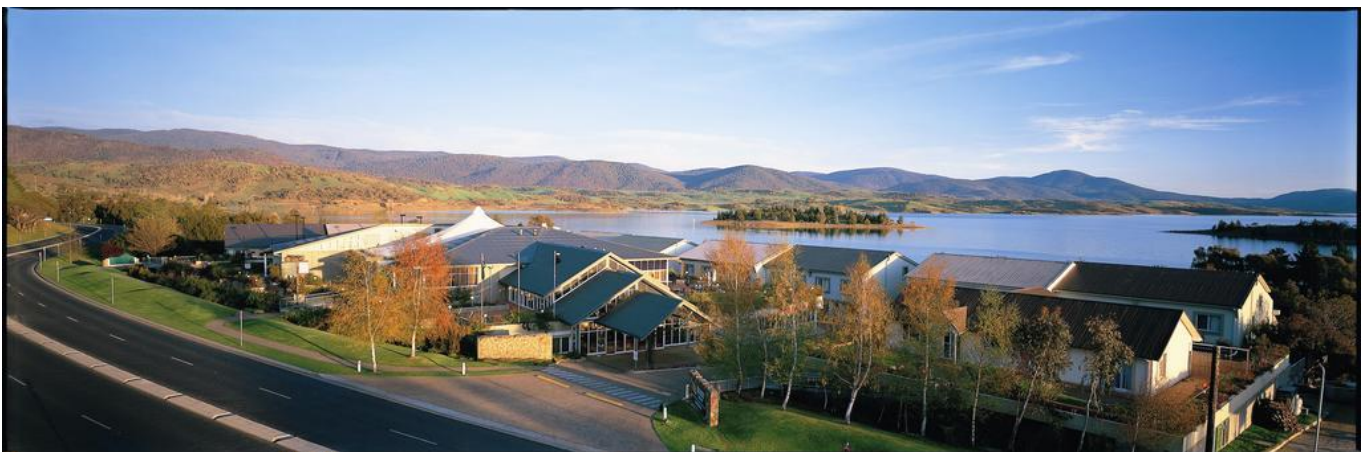

As with our reunion events in past years we will once again start the weekend with a BBQ lunch followed by an afternoon ride on the Saturday. In the evening we will hold the annual reunion dinner with good friends, fine food, entertainment and merriment just as Ross always enjoyed with us when we had the pleasure of his company.

In 2020 we will be accommodated by the spectacularly located Rydges Snowy Mountains in Jindabyne over the weekend of the 7th and 8th of March.

We will have paved and unpaved supported rides on Saturday and again on Sunday for those who will be staying on with us. The riding on both paved and dirt roads to, from and all around the Snowy Mountains is among

Australia's finest and we will make sure that you get to ride some of the best of it.

The cost for the Ross McKeand Memorial Ride Weekend is AU\$280, this will include accommodation, breakfast, lunch and dinner. A single supplement is available for AU\$65 if you would prefer a room to yourself. We are able to book extra nights' accommodation for Friday or Sunday as required.

The Ross McKeand Memorial Ride Weekend is open to all past Compass Expeditions tour participants, friends and family.

To join us for a very special weekend and to help us pay respects to Ross's memory please follow the link:
