Annual Church Statistical Report

CHURCH OF
THE NAZARENE

Note: Because the COVID-19 pandemic prevented or limited many of our 30,000+ local churches worldwide to meet for worship and discipleship throughout the 2021 assembly year, the 2021 Annual Church Statistical Report (ACSR) does not show attendance figures. This is a result of two rulings issued by the Board of General Superintendents (BGS) that removed the requirement for reporting attendance (July 2020¹ and December 2020²), making the figures in the report not fully representative of attendance. These rulings allowed the local church to take one of three actions regarding the reporting of attendance figures: 1) Not to report attendance figures (21.2% of churches chose this option), 2) use the previous year's attendance figures (34.6% chose this option), or 3) report the average attendance the church experienced throughout the year (44.3% chose this option). Although total attendance figures are not shown on the ACSR, if a local church reported attendance on their APR, their attendance figures are still available through their District Journal.

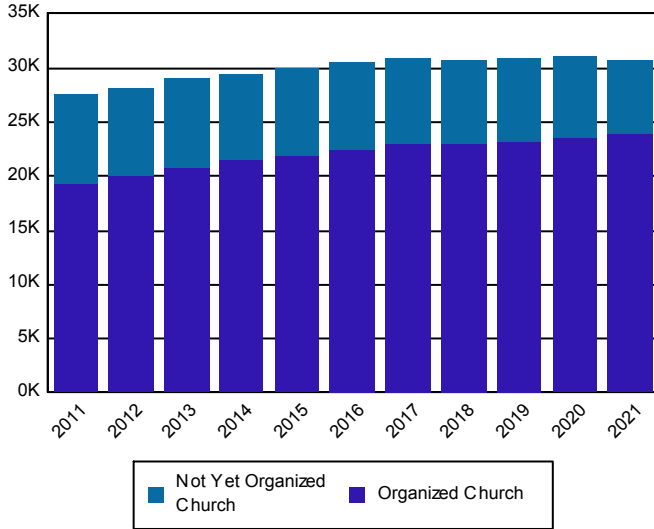

¹TEMP07-2020-08: Annual Reporting -- At this time, there is no requirement to record attendance, but we do recommend that district superintendents and pastors work together on accountability. Additionally, we ask all pastors to utilize the Annual Pastor's Report (APR), specifically to record membership and giving for the current period. However, for purposes of the APR 2019 attendance statistics may be utilized for the comparable months of 2020.

²TEMP12-2020-01: APR For The COVID Year -- Given the limitations of attendance during the pandemic, Annual Pastor's Reports will be exempted from reporting morning worship and discipleship attendance. The remainder of the report should be completed as required.
