### ? Do you believe you were incorrectly denied for P-EBT benefits?

If a family thinks their child was incorrectly denied P-EBT benefits, they need to contact HHS within 15 days of receiving their denial notice. They can contact them through the P-EBT Call Center at **833-613-6220** or by email at: [AES\\_PEBT\\_Complaints@hhsc.state.tx.us](mailto:AES_PEBT_Complaints@hhsc.state.tx.us).

Families must provide proof they received free or reduced-price meals through the National School Lunch Program, to get P-EBT benefits. To prove the child is eligible for P-EBT, families can provide a copy of the award letter that is sent to parents when their children become eligible for the National School Lunch Program. If they don't have the award letter, the child nutrition director from their school should be able to provide you with a copy. If the child goes to a CEP or P2 school where all students in the school automatically participate in the National School Lunch Program, families can provide a copy of a student ID card or report card.
