

**RON DESANTIS**  
GOVERNOR

June 2, 2022

Secretary Cord Byrd  
Secretary of State  
Florida Department of State  
R. A. Gray Building  
500 South Bronough Street  
Tallahassee, Florida 32399

Dear Secretary Byrd:

Because we have kept Florida free and open, the state continues to outpace the nation in job creation, workforce participation, new business formations, and economic growth. The Freedom First Budget makes historic investments in education, conservation, infrastructure, and public safety. This budget includes important new initiatives such as law enforcement recruitment programs and record funding to promote adoption and foster care. The budget also contains major tax relief for Floridians when they buy diapers for their children, fill up their gas tanks, and strengthen their homes. Florida has been able to accomplish all of this while maintaining record budget reserves.

Unfortunately, the federal government's policies – waging a war on domestic energy production, printing and borrowing trillions of dollars, championing counterproductive COVID-related mandates and restrictions, and failing to address disruptions in the supply chain – have sparked the most debilitating and sustained inflation in more than four decades. Americans are seeing costs grow at an alarming rate, especially for staples such as gasoline and groceries, with those on fixed incomes seeing their savings and purchasing power eroded. Because of rampant inflation, we have seen – and will continue to see – interest rate hikes, which will slow the economy.

We, therefore, must be cognizant of both the inflationary pressures in the economy and the real possibility of a Biden-induced recession. With this in mind, I must exercise my line-item veto authority to reduce the size of the 2022-2023 General Appropriations Act and add more to Florida's budget reserves. The total amount of funds vetoed – \$3.1 billion – constitutes by far the largest package of vetoes in the history of Florida. This represents prudent action to ensure Florida has ample reserves in the face of economic uncertainty.

While we are not, at the state level, responsible for the ramifications of ill-conceived federal policies, we have a responsibility to mitigate the negative impact of those policies.

By the authority vested in me as Governor of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby withhold my approval of portions of House Bill 5001, enacted during the 124th Regular Session of the Legislature, since Statehood in 1845, convened under the Constitution of 1968, and entitled:

An act making appropriations; providing monies for the annual period beginning July 1, 2022, and ending June 30, 2023, to pay salaries, and other expenses, capital outlay - buildings, and other improvements, and for other specified purposes of the various agencies of State government; providing an effective date.

I do hereby withhold my approval of the following line items in the 2022-23 General Appropriations Act:
