

# REPEAL THE UNFAIR WEP AND GPO

Everyone deserves a secure retirement, especially those who have devoted their careers to public service. **The Windfall Elimination Provision** and **Government Pension Offset** threaten that security by substantially reducing or eliminating the *earned* Social Security benefits of the millions of retired teachers and public employees who contributed to Social Security through other employment.

Scan the QR code or follow the link below to call your U.S. representative and ask them to **co-sponsor HR 82 to finally repeal the unfair WEP and GPO.**
