## THINGS PARENTS NEED TO KNOW

### Fall 2025 Meal Plan Incentives

This semester, we're offering exclusive perks to help your student get the most out of their dining experience:

Upperclassmen who choose the Herd or Ultimate Plan will receive \$100 in Lipscomb Bucks or a Starbucks/Chick-fil-A Punch Card (good for one free item per week all semester).

Freshman Students who upgrade from the Bison Herd to the Bison Ultimate Plan also will receive a Retail Punch Card.

Commuter students who purchase any meal plan will receive \$100 in Lipscomb Bucks or a Retail Punch Card.

All faculty, staff, or university personnel who purchase Lipscomb Bucks in the first two weeks of classes will receive an extra 10% added to their total.

Incentives available through August 30. Punch cards will be distributed after the first week of classes.

### Meal Exchange= Flexibility On The Go

The Meal Exchange Program lets students use their swipes at campus favorites like:

Chick-fil-A (Mon-Fri after 1 PM, Sat after 11 AM): sandwich or nuggets + fries + drink

Freshens: Choose a bowl, melt, salad, flatbread, or LTO + drink

Creekstone Burger Co.: Classic burger + fries + drink

Meal exchange swipes reload weekly and are built into select meal plans like the Ultimate, Herd, and Traveler plans, offering 3-5 swipes per week depending on the plan.

### WELCOME!(OR WELCOME BACK!)

Whether your student is starting their Lipscomb journey or returning to their home away from home, our dining team is ready to fuel their year with great food, flexible options, and rewarding perks. Here's what parents need to know to help their student thrive this semester
