

KUDOS FOR REVERE NIGHT

We had a packed auditorium on Monday, March 6, full of incoming 6th graders and their families.

Thank you to Jodi Fenton for organizing the event along with Ms. Mabashov, the music department teachers and students for wonderful performances and talks.

Also, thanks to Mr. Wechsler and his talented students for providing the video found [here](#).

Adding to the night, Ms. Robertson introduced families to some of the farm animals, and Mr. Hyman and Ms. Wright discussed 6th-grade classes.
