CABIN OPTIONS

All of the cabins on our ship are quite spacious, containing private facilities and air-conditioning, offering accommodation for up to a maximum of 36 people. The cabins are situated on two decks, the main and the lower deck of the ship.

Most of the cabins can be interchangeably switched from twin to double bed layouts. The beds are 80x195x20 cm in size, with maximum health and comfort in mind.

Every cabin contains a working desk, chair, sofa, a minimum of one mirror, night lamps, safe deposit box (key or code), PA system for announcements and music, hair dryer, 220 V electric supply, lifejacket, wardrobe and luggage storage space under bed

Below the deck cabins have at least two portholes (that cannot be opened) and dual ventilation system (one in bathroom and one in cabin) while main deck cabins have a minimum of two windows or portholes, one in the bathroom and one (or in some cases, two) in the cabin bedroom.

The cabins are soundproof with have fireproof doors. These are operated by a key card system which unlocks the door and provides electric power for the cabin. The keys are programmed to fit a specific cabin. The cabins are also equipped with air-conditioning, ensuring maximum comfort.
