

Justa Center Labor Day Lunch

After a 2-year break due to the COVID-19 pandemic, our church will again host the Labor Day lunch at the Justa Center. The Justa Center's mission is to provide care and resources for homeless seniors. It provides meals daily except on holidays, which is where WE come in. We will provide a luncheon meal for about 150 people.

In addition to financial support, we will need volunteers to help prepare and assemble food on Sunday of Labor Day weekend, and to serve the lunch on Monday at the Justa Center (10th Ave. and Jefferson, Phoenix).
