

Senior Celebration Video

As a one-of-a-kind year comes to a close, we want to provide you with an update about plans to honor your one-of-a-kind senior.

In addition to delayed graduation ceremonies and efforts from individual schools, such as delivering yard signs and driving past seniors' homes to honk and wave, there are many more plans and activities underway to celebrate your senior, including but not limited to:

- **A Senior Celebration Video** (instructions to participate are below)
- Multiple print, radio, and TV media efforts to highlight the Class of 2020
- Social media content posted on district and school pages

To participate in the Senior Celebration Video

Record and send a video that is **30 seconds or shorter** and follows these guidelines:

- Hold your cell phone horizontally (landscape) when recording (preferred but not mandatory).
- Make sure there are no songs, music videos, movies, shows, video games, or any other copyrighted materials in your video, including in the background.
- No swearing or inappropriate language, nudity or gestures in the video, including in the background.
- Find creative ways to incorporate the theme into your video, if there is one (Rise or Rising Above for CHS, The Carnation Ceremony for R-5)
- Have fun and #KeepItPositive!
