Dear Constituent:

There is currently a vacant seat on the Access Appeals Commission (AAC), one of the entities that helps the Department of Building Inspection (DBI) with its work.

The Building Inspection Commission—the body that has appointment power to the AAC and provides oversight of DBI—is currently accepting letters of interest and CVs/resumes for this vacant seat. It is required that the seat be filled by a San Francisco resident. A description of the AAC and the available seat is provided below.

Access Appeals Commission (AAC)

The [AAC](https://sfdbi.org/access-appeals-commission) (<https://sfdbi.org/access-appeals-commission>) is a group created under [Section 105A.3](#) of the San Francisco Building Code (SFBC). It is composed of five members that are appointed by the Building Inspection Commission.

The purpose of the Access Appeals Commission is to hear written appeals brought by any person regarding actions taken by the Department of Building Inspection in the enforcement of the requirements for Access to Public Accommodations by Physically Handicapped Persons (Part 5.5, Sections 19955-59 of the Health and Safety Code of the State of California), as well as action taken by the Department in the enforcement of the disabled access and adaptability provisions of this code. Recently, the AAC has met infrequently, such that the time commitment for service is currently relatively low. Each member of the Commission is compensated \$125 for each meeting attended.

The AAC meets in the afternoon on the second and fourth Wednesdays of each month for approximately 2 to 3 hours.

The available seat for the AAC is listed below. Terms are four years.

- A Person Experienced in Construction

If you are interested in filling the vacant seat, please submit a letter of interest and your CV or résumé by December 2, 2022 to:

If you know anyone who would be interested in serving on the Access Appeals

Commission, please encourage them to submit their letter of interest and resume. Members appointed to the AAC must be San Francisco residents.

Members who are appointed to the AAC are required to abide by all local, State, and Federal ethics laws. They are also required to comply with the Department of Building Inspection's [Statement of Incompatible Activities](https://sfethics.org/wp-content/uploads/2022/03/SIA-DBI-8.28.2020.pdf) (<https://sfethics.org/wp-content/uploads/2022/03/SIA-DBI-8.28.2020.pdf>).
