Hello NJHS Families!

**RE: NJHS February/March Drives**

I want to share the results of our first ever “Love Well” February Food Drive. The students donated 75 jars of peanut butter and 57 cans of chicken to the Life Center Food Bank! LC Cares Team Leader, Carrie Kay, was overjoyed by our donations and expressed how impactful this will be to our community! Way to go, NJHS!

Since the impact was felt so close to home, I’d like to continue focusing on LC Cares. It has been brought to my attention that we have 28 children living in the tiny home community that Life Center supports. Instead of doing a “Candy and Egg Drive” before Easter to support the church egg hunts, God is leading me to focus on those 28 children in the tiny home community. After a thoughtful discussion, we came up with the following items to collect.

- Plastic Eggs
- Candy
- Jump Ropes
- Bubbles
- Bunny Ears
- Bouncy Balls
- Stuffed Animals
- Stickers
- Chalk
- Easter Grass
- Coloring Books
- Crayons

Please bring items to my classroom. Thank you for your continued support. Please let me know if you have any suggestions or connections that might help us bless these 28 children as well.

Blessings,

Jodi Bigler  
NJHS Advisor
