

September will be a busy month for the PSA Exhibition Committee. The committee and Tom Oldfield, ACE Exhibition Chair, want to thank all of the PSA members that are participating in the Artist's Choice Exhibition at Whites Fine Art Gallery during October. The exhibition will also be online at [ISSUU.com](https://issuu.com/pasadenasocietyofartists) during and after the gallery exhibition closes. The ACE artist reception is Saturday, October 1, 4 pm to 6 pm. Plan to attend. Volunteers are needed for the ACE installation Friday, September 30, and to help Pat Lee with hospitality at the reception Saturday, October 1. If interested please contact the Exhibition Committee at Exhibitions@pasadenasocietyofartists.org. For hospitality please contact Pat Lee at quickerlee@sbcglobal.net.

Also during September, the Pop-up Gallery exhibition Saturday, September 10, and Sunday, September 11, offers 12 PSA members the opportunity to present and sell their artwork in Highland Park during the Second Saturday Gallery Art Walk. Art Carrillo, Exhibition Chair, sent more information on August 14. Please check your email box. The Pop-up Gallery exhibitions will continue on select weekends during October, November and December 2022.

The open juried exhibition and the juried photography exhibition have been moved to 2023. The Exhibition Committee is actively searching for gallery space where PSA can exhibit during 2023.

That's all for this month.
